OVERVIEW

Captaris is pleased to announce the general availability of RightFax 9.3 Feature Pack 2 (FP2). The feature pack is expected to be available for download and available to fulfill new orders on or after Monday, Sept. 10, 2007.

Included in RightFax 9.3 Feature Pack 2

Feature	Description
Enhanced FoIP Support	RightFax 9.3 FP2 expands the support for several popular FoIP systems including: <ul style="list-style-type: none"> • Cisco Call Manager 5.0.4 with Session Initiation Protocol (SIP) • Cisco Call Manager 4.2.3 with H.323 protocol • 2800/3800 Cisco Routers • Avaya gateways with H.323 protocol • Alcatel gateways with H.323 and SIP protocols • FoIP CNG and CED tone via Real Time Transport Protocol (RTP)
Support for Office 2007 documents and Microsoft Office Outlook® 2007	<ul style="list-style-type: none"> • Office 2007 introduced XML-based file formats for Microsoft Office Excel® (.xlsx), Microsoft Office Word (.docx) and Microsoft Office PowerPoint® (.pptx). RightFax 9.3 FP2 allows users to fax documents stored in any of these formats. • RightFax advanced fax form is supported in Outlook 2007.
Support for Windows Vista client operating systems	All RightFax 9.3 FP2 client applications have been tested and are supported on 32-bit Windows Vista Business, Enterprise and Ultimate editions.
Support for new PCIe digital fax boards	PCI Express (PCIe) bus is the new standard high-speed expansion bus, and is increasingly a standard on server-class computers. RightFax 9.3 FP2 supports the Cantata Technology Brooktrout TR1034 T1/E1 PCIe digital fax boards (otherwise identical to the previous TR1034 T1/E1 boards but now compatible with the PCIe bus). Note: The proper bus configuration (PCIe or PCI universal) must be selected at time of order. For more information on the availability of the new PCIe fax boards, please see Captaris Product Bulletin 832.

Please note that the new Microsoft Exchange Server 2007 Connector for RightFax is not included in this release, but will be released shortly after.

PRODUCT AVAILABILITY
