

End-of-Sale and End-of-Life Announcement for the Cisco Application Control Engine Module Software Version A2(1)

EOL7118

Cisco announces the end-of-sale and end-of life dates for the Cisco Application Control Engine Module Software Version A2(1). The last day to order the affected product(s) is November 17, 2010. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-of-Life Milestones and Dates for the Cisco Application Control Engine Module Software Version A2(1)

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	May 19, 2010
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	November 17, 2010
Last Ship Date: App. SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	February 15, 2011
End of SW Maintenance Releases Date: App. SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	November 17, 2011
End of New Service Attachment Date: App. SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	November 17, 2011
End of Service Contract Renewal Date: App. SW	The last date to extend or renew a service contract for the product.	February 12, 2013
Last Date of Support: App. SW	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	November 30, 2013

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Cisco ACE Module Software Version 2(1.x) customers are encouraged to migrate to Cisco ACE Module Software Version 2(3.1) or later. Also Cisco ACE Module Software Version 2(2.x) customers who are not running ACE Module Software Version 2(2.4) are encouraged to migrate to Cisco ACE Module Software Version 2(3.1) or later. Information about the Cisco Application Control Engine Module Software Version 2(3.1) can be found at: http://www.cisco.com/en/US/docs/interfaces_modules/services_modules/ace/vA2_3_x/Release/Note/RACEA2_3_X.html.

Table 2. Product Part Numbers Affected by This Announcement

End-of-Sale Product Part Number	Product Description	Replacement Product Part Number	Replacement Product Description	Additional Information
SC6K-A21-ACE	ACE A2(1) Software Release	SC6K-A23-ACE	ACE Module Software A2(3)	--

Product Migration Options

Customers are encouraged to migrate to the Cisco Application Control Engine Module Software Version A2(3). Information about this product can be found at:

http://www.cisco.com/en/US/docs/interfaces_modules/services_modules/ace/vA2_3_x/Release/Note/RACEA2_3_X.html.

Customers can use the Cisco Technology Migration Program (TMP) to trade-in products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at <http://www.cisco.com/web/partners/pr11/incentive/tmp/index.html>

Customers may be able to continue to purchase the Cisco Application Control Engine Module Software Version A2(1) through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to:

<http://www.cisco.com/go/eos>

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html

For More Information
