

Exemption Certificate

For use by departments and instrumentalities of the federal government
And their duly authorized contractors/agents
Pursuant to Louisiana Revised Statute 47:301 et seq.

Date _____

Purchaser _____

Address _____

The Purchaser identified above certifies that he is:

- An agency, department, or instrumentality of the United State Government
- A duly authorized purchasing agent or management/construction contractor, whose contract with an agency, department, or instrumentality of the United States Government has been reviewed and granted exempt status by the Department of Revenue, that said contract authorizes the agent to procure materials and services for the federal government, and that the contractual terms grant title to all materials purchased thereunder directly to the federal government immediately upon delivery to the agent/contractor.
